

GEENA B. & RUFUS

International Americana Folk | Socially Conscious Songwriting | Independent Artists

GEENA B. & RUFUS are an internationally active songwriter and artist couple from Italy, blending evocative Americana folk with socially conscious storytelling. Writing, recording, producing, and promoting their music independently, they have built a distinctive and authentic artistic voice that resonates across Europe, Australia, and the USA.

Their sound combines warm harmonies, acoustic depth, and cinematic textures with lyrics addressing deceleration, sustainability, non-material values, and personal freedom. Their guiding mantra — **“Be free in your choice of life”** — defines both their music and their mission.

- Americana Folk, Acoustic-driven arrangements, Sweet vocal harmonies, Thought-provoking, socially aware lyrics, Organic, self-produced sound

For fans of authentic folk storytelling with contemporary relevance.
